Announcement

Breeders, Farmers, and all lovers of good cattle, Shorthorns especially. I extend greetings and a cordial invitation to attend my sale, Oct. 3, 1912.

You will find on looking through this catalog, the pedigrees herein contained, represent some of the best and most popular blood lines of the Shorthorn breed.

The cattle to be sold are a good business lot, not in high flesh, but as they come from the pasture with very little fitting.

Females without calf at foot are bred to my herd bull Orange Knight 321486. Said bull is the sire of all the calves at foot.

Certified pedigrees furnished with each animal except when sold with dam.

I will also sell 22 Poland China sows and one yearling boar.

One standard bred trotting stallion, two years old, eligible to record.

GUARANTEE:— All cows with calf at foot or well along in calf are proven breeders, no further guarantee is given as to them. In case other females of breeding age prove not to be in calf or fail to get with calf after six months' trial they may be returned to me but must be in as good condition as when sold. If I can not satisfy the purchaser with another animal, I will refund the money.

Stock will be delivered f. o. b. cars at Winterset to all purchasers from a distance. All stock to be at buyer's risk after bid off.

CRUICKSHANK'S ORANGE BLOSSOMS are descended from Jessie by Sovereign. This family is from the same foundation as the Queen of Beautys, coming through Queen of Scotland (a daughter of Edith Fairfax by Sir Thomas Fairfax (5796) whose daughter Queen of the South was one of the greatest cows of her day in all Scotland). Mr. Marr's great bull William of Orange was of this noted Orange Blossom family, as was also the prize winner Imp. Orange Blossom 18th, sold in 1876 for \$3,500 and considered almost a model of perfection. She had much to do with bringing the Scotch cattle into the popular favor they now enjoy.

RED KNIGHT is a very low down compact animal, combining all the good qualities that can be found in a bull. He was got by Marengo's Count 154318 (a son of the great show bull Marengo, that was champion for a number of years at the leading shows of England) out of Imp. Lady Douglasby Lord Douglas 132003.

MASTER OF THE ROLLS was a noted Cruickshank Lavender of most excellent breeding and was a great sire; got by Gondolier 98287, out of Lavender 45th by Baron Violet 90446; Lavender 35th by Roan Gauntlet 45276.

YOUNG GOLDEN CROWN, a Scotch bull got by Golden Crown 35658 out of Lady by Stanley 2d 21128 Rose by Breadalbane 11429, Imp. Raspberry by Prince of Worcester (20597).
